Goals and Objectives

On behalf of the members of the organizing and scientific committees, it is our pleasure to invite you to attend the "2nd International Symposium on Thoracic and Upper Aerodigestive Malignancies" to be held at the Divani Caravel Hotel in Athens, April 4-6th, 2013.

This event will provide an International Forum for discussion of current and emerging concepts in the management of patients with thoracic and upper aerodigestive malignancies. A prestigious international faculty representing various disciplines involved in cancer care and research has been assembled to review and analyze state-of-the-art diagnosis and treatment of these common cancers, with an emphasis on non-small cell lung cancer and squamous cell carcinoma of the head and neck. The Symposium will feature round tables, panel discussion of challenging cases, invited lectures and meet the professor and poster viewing sessions.

We are looking forward to seeing you in Athens.

The Symposium Chairs

Athanassios Argiris, MD, FACP

Kostas Syrigos, MD, PhD

Robert Ferris, MD, PhD, FACS

Main Topics

- Combined modality treatment for locally advanced disease
- Emerging therapeutic modalities for aerodigestive malignancies
- Elderly patients with aerodigestive malignancies
- Biomarkers and emerging molecular targets
- Endobronchial diagnostic & therapeutic techniques
- Molecular oncology in NSCLC
- Mesothelioma
- Multimodal treatment strategies for "resectable" head and neck cancers
- Systemic therapy of aero digestive malignancies: state-of-the art

Call for abstracts

Abstracts will be accepted for poster viewing. An individual can submit one or more abstracts as presenter or first author. Abstract submission will open **December 15, 2012 to February 22, 2013**.

Please submit your abstract by e-mail to the Symposium Secretary at scep_ath@otenet.gr or on www.thorhnc2.com
